**CERTIFICATION**

---

I, the undersigned, hereby certify that the information herein and attached hereto is true and correct to the best of my knowledge. I agree to comply with all provisions of ordinances and laws governing this type of work, whether specified herein or not. I hereby authorize the filing of this application and grant approval of on-site review of the development described herein. I acknowledge that permits will not be issued until plans are approved by the County and that the approved permits are only for the work/structures specifically described.

**PLEASE NOTE:** *Applications will become null and void 45 days from intake date. Building permits expire after 180 days if the building or work authorized by the permit is not commenced, if building or work is suspended or abandoned for a period of 180 days, or if the building or work is not completed within 36 months. It is illegal to occupy or use a building for which a permit is required until a Certificate of Occupancy is issued by the County. A permit issued by the County does not guarantee the absence of deed restrictions or restrictive covenants which would prohibit the activity applied for herein.*
